

December 29, 2023

Hello WCARB (Region 6) Members,

The WCARB Executive Committee has been working on the following 2 proposed amendments to the Region Rules, which are the operational policies of WCARB. Also included is a revised Expense Report Form that aligns with the proposed Travel Reimbursement Policy (Amendment 2). In accordance with the Region Rules, these proposed amendments will be presented to the WCARB membership for adoption at the March 1-2, 2024 Regional Summit.

The WCARB Bylaws Committee (Chaired by Tian Feng) developed the proposed fiscal year change (Amendment 1) to the WCARB Rules. They also reviewed Amendment 2 and made valuable edits that have been included in the draft before you. We welcome your comments on each of the two amendments. Please use "Track Changes" for suggested edits and email your comments to any of the WCARB Executive Committee members by **February 1, 2024**. Comments will then be assembled and distributed to members for WCARB's March 1-2, 2024 meeting in Savannah, GA.

The complete Bylaws and Rules can be found at WCARB.com.

Thank you,

WCARB Executive Committee
