

WCARB STRATEGIC PLAN

The purpose of this Strategic Plan is to articulate the mission of WCARB so as to guide and assist the WCARB Executive Committee and its members in determining activities and priorities of the organization.

The Strategic Plan is organized around three GUIDING PRINCIPLES that are core to WCARB's mission: EDUCATE, COLLABORATE, INFLUENCE. Each principle is supported by several OBJECTIVES that break down the principle into more specific, achievable elements. ACTIONS that can be initiated to accomplish the Objectives are identified. Actions should be reviewed and updated by the WCARB Executive Committee each year, and are expected to vary with interests and available resources.
